CLERK, U.S. DISTRICT COURT

my NAME is ALLAN J Duxlap  
I Am one of the Plaintiffs in Abbie Testosterone lawsuit. CASE # 1:16-CV-1390. my Attorneys Trent B Miracle & BRENDAN A Smith of the lawfirm Simmons Hanly Conroy Alton ILL. have tried to make me give up my case in your court, they have harassed me, refused to give me legal documents, that they made a settlement with Abbie, my legal Point are this Judge I Am entitled to a copy of the legal settlement this lawfirm made that destroyed my case with the master RANDI Ellis. I CAN win my case AT trial. I used ANDROL gel had a heart attack, then a stroke, this 90 day Rule the settlement master is using is flawed. some of us had other medical problems that made me stop ANDROL gel, then restart it. NO were in ANDROL gel directions does it say, don't stop then restart. I have also sent complaints to ILL Disiplinary Commission on the 2 Attorneys named above. They took my case, said I had a case filed it in your court, that played all these games to destroy it.

↓

They did not like the fact I stood up to  
the master & their flawed wrong legal theory.  
Abshire is trying to save itself, I  
looked at their stock reports & shareholder  
Report. and they are in debt or huge loans.  
my attorneys quit wont do their Jobs  
told me to take my case to trial alone.  
I need help.

all Day.  
Thank you
